

90 CALORIES — NATURALLY LOW CALORIE & LOW ALCOHOL WINE

Pinot Grigio is a grape variety which has found its ideal home in Trentino, in the north-east of Italy at the foothills of the Dolomites. In this unique Alpine context, Pinot Grigio reaches its peaks of high quality, bursting with freshness, minerality and floral notes.

MEZZACORONA

VENTESSA

PINOT GRIGIO

HEALTHY. SUSTAINABLE. HAND PICKED. ITALIAN PINOT GRIGIO.

VINIFICATION

The grapes are immediately crushed and undergo a very short cold maceration in the press. The grapes are then softly pressed. The musts are then fermented for 8 days. The wines are kept on the yeasts in steel tanks.

CHARACTERISTICS

It boasts a youthful aromatic profile of flowers and fruit, ranging from lily of the valley and broom flowers to melon and white peach.

NATURALLY LOW-CALORIE PROCESS

Ventessa is made without artificial dealcoholization. Our sunny days favor optimal aromas, cold nights help preserve acidity, and the Ventessa wind accelerates the ripening of grapes without increasing the sugar level, yielding crisp flavors and naturally lower alcohol.

VEGAN • NO ADDED SUGAR • GLUTEN FREE • NO FLAVOR ADDITIVES • NO ARTIFICIAL DEALCOHOLIZATION

PAIRINGS

As an aperitif, served with delicate finger foods, shellfish, medium mature cheeses, baked & fried fish dishes.

APPELLATION

IGT Dolomiti
